**N.B.** For all entrants, regardless of age or BOF membership, make sure their full names are written on their registration stub. For pairs and groups sharing a brikke that means all the relevant names - "Morgan Family" or "Megan +1" is not enough. (This is required for insurance purposes.)

**Registration:** As each map is sold, tick the fee charged; if the participant/fee doesn't fall neatly into one of these categories, write in how much was charged and make explanatory notes overleaf if necessary, e.g. "4: £1 extra map for entry 3" or "22: £5 Pair - one Junior map issued but insisted on paying for two entrants".

**Organiser:** Shade the boxes under the last map available for each course for this event.

**Registration:** Once you get close to the map limit tell the Organiser/Planner asap.
